

HALLO! I AM JACKRABBIT
I LIKE CARROTS. I AM REALLY HUNGRY.
WILL YOU HELP ME?

JACKRABBIT™

ZACCARIA®

ZACCARIA®

In the first frame all the carrots must be picked up, dodging or jumping on the holes, and taking much care of tricky enemies.

In the second frame the scene shifts frequently and the increasing moves and the chasing enemies make the picking of carrots more difficult.

**If winning
is not enough
for you,
enjoy
ZACCARIA
video games!**

The uneven ground makes the third frame very risky and exciting.
